

CHILDREN'S DANCE JOURNEY 2022

Your children's dance journey is a progressive journey starting from the introductory age groups, where children attend with a parent/guardian to gain independence, physical literacy skills (putting them ahead of their peers by the time they start school) and confidence.

Once reaching the Dinky Dancers classes and beyond, we will aspire to inspire your child, help boost their confidence, self-esteem and creativity. Along the way they'll build vital life skills such as resilience and courage and become important team players, learning to work with others. All achieved through a world of music and dance – not just tuition in a specific dance style. *(The dance skills and genres we include are: Disco, Rock'n'Roll, Ballroom, Latin, Musical Theatre, Classical Sequence, with popular Ballet, Tap and Modern routines also being included at the younger age groups.)*

	<p><u>Little Bear Feet</u> (for children aged 18-30 months) + parent Saturday 9.00-9.30am</p>
